

**FITTING INSTRUCTIONS FOR LP0001BK R&G TAIL TIDY (LICENCE PLATE HANGER)
KAWASAKI Z 1000 / ZX6-R '03-'04 / Z 750**

N.B. This tail tidy takes micro/mini indicators only. We recommend our R&G Micro Indicators (Part No. RG370) which are available from your local R&G stockist or from our website.

- Remove rear seat cover and seat.
- Remove the two screws at back of bike, on top surface of tail unit.
- Remove the six push-stop lugs which hold rear seat cowl to the undertray (located underneath tail unit, along flanks).
- Remove rear seat cowl.
- Remove black tool tray (only one screw to remove).
- Release wires to the right of the rear seat and disconnect all four connectors.
- Remove the four screws holding the undertray to the centre of the sub frame – this will allow complete removal of tail unit – go ahead and remove it.
- Remove the two bungee hooks (keep the two black nipples for use in a moment).
- Locate the R&G hanger, using the four available holes through the undertray, and fasten using the nuts supplied.
- Take the wires from the R&G hanger and feed up through the central hole in the undertray, and connect to the smallest of the connectors.
- Replace the two black nipples which were removed along with the bungee hooks.
- Select indicators and fix them to the R&G hanger (if you wish to fit OEM indicators you will need to bore out the holes in the hanger). Please be careful not to over-tighten!!!
- Route cables as they were and fix them into place.
- Test unit for correct operation of indicators and licence plate illuminator.
- Re-assemble tail unit of bike by reversing the dismantling procedure described above.

CONSUMER NOTICE

The catalogue description and any exhibition of samples are only broad indications of the Products and R&G may make design changes which do not diminish their performance or visual appeal and supplying them in such state shall conform to the order. The Buyer acknowledges no representation or warranty (other than as to title) has been given or will apply to the Products other than those in R&G's order or confirmation and the Buyer confirms it has chosen the Products as being of merchantable quality and suitable for its particular purposes. Where R&G fits the Products or undertakes other services it shall exercise reasonable skill and care and rectify any fault free of charge unless the workmanship has been disturbed. The Buyer is responsible for ensuring that the warranty on the motorcycle is not affected by the fitting of the Products. On return of any defective Products R&G shall at its option either supply a replacement or refund the purchase money but shall not be liable if the Products have been modified or used or maintained otherwise than in accordance with R&G's or manufacturer's instructions and good engineering practice or if the defect arises from accident or neglect. Other than identified above and subject to R&G not limiting its liability for causing death and personal injury, it shall not be liable for indirect or consequential loss and otherwise its liability shall be limited to the amounts paid by the Buyer for the Products or the fitting or service concerned. These terms do not affect the Buyer's statutory rights.

R&G RACING RETURNS POLICY (NON-FAULTY GOODS)

Returns must be pre-authorized (if not pre-authorized the return will be rejected). Goods may only be returned direct to us if they were purchased direct from us (customer must prove if necessary). Otherwise to be returned to original vendor. Goods must be in resellable condition, in the opinion of R&G Racing. All returns are subject to a 25% restocking and handling fee (25% of the gross value exc. P&P – at the prevailing price at time of purchase). The customer must pay any and all carriage charges. No returns of discontinued products, unless within 14 days of purchase. This policy does not affect your statutory rights and does not refer to faulty goods.
